June 2016

Dear Parent/Guardians of Future 7th Grade Students:

Welcome to 7th grade! Below is the list of materials needed for the school year. Fowler School, along with School Kidz, is offering a convenient, pre-assembled supply kit to purchase for \$35. These kits are available **ONLINE ONLY, through June 24th**, and contain *most* of the necessary items on the list. To order, go to www.shopttkits.com and enter account # 32898. While the kits may make it easier to purchase your child's school supplies, you are not required to buy one.

The 7th grade kit contains the following:

- 1 box of pens
- 1 box of colored pencils
- 6 boxes of 12 pencils (2 for each term)
- 2 erasers (block or cap)
- 2 highlighters
- 1 composition book (100 sheets)
- 1 vinyl pocket folder
- 1 one-subject notebook (70+ pages for Spanish)
- 5 1.5 inch 3-ring binders (for ELA, Math, History, Science, Spanish)
- 2 sets of five 3-ring tab dividers (for Science and History)
- 3 packages of loose leaf paper
- 3 packages of 3x5" ruled index cards

Also needed, but not included in the kit:

- 1 basic calculator (sold separately, can be purchased with the kit if needed)
- hand sanitizer
- 2 boxes of tissues

All students will be provided with an assignment notebook for the year. This is a helpful tool to keep students organized, and parents informed, of nightly homework and projects.

Information and forms for Nature's Classroom will be sent out in early August. Please notify the Fowler Office of any address change by August 1.

Have a wonderful summer!

Sincerely,

The 7th Grade Team

Fowler School
